

 **PURSUIT**

C 280
CENTER CONSOLE

The C 280 combines the ultimate in fishability with creature comforts not typically found in hard core fishing machines.

Start with optional captain and companion flip-up bolster-style seating for comfortable operation while sitting or standing. And check out the expansive helm area for mounting multiple large screens for fish finding accuracy. Aft of the helm in the seat base is a 52-gallon lighted, livewell just opposite of the transom mounted rigging station with removable tackle drawers, cutting surface and molded tool holders. Passengers will appreciate the comfortable and convenient folding stern seat that quickly folds flush to the transom when the fishing begins. The two 29-gallon in-deck fishboxes with macerator are insulated to make your ice last longer so your catch stays fresher. There's an additional 45-gallon insulated fishbox in the transom.

The head compartment within the console features room for storage and contains an electric head with holding tank, pumpout and macerator. The forward console seat base houses a 140-quart cooler and features a plush three-inch thick seat cushion.

The molded-in split bow seating affords additional seating as well as unobstructed bow access for anchoring, docking or casting.

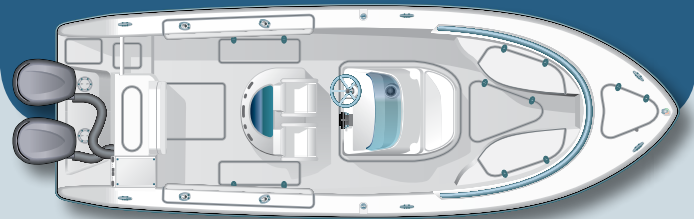

Play hard and look great in the new C 280 from Pursuit.

SPECIFICATIONS

L.O.A.	28' 0" (8.53 m)
Beam	9' 6" (2.9 m)
Hull Draft	
(motors up)	1' 7" (0.51 m)
(motors down)	2' 10" (0.64 m)
Clearance w/Hardtop	
(from waterline)	7' 8" (2.3 m)
Clear. w/o Hardtop	
(from waterline)	6' 3" (1.9 m)
Approx. Dry Weight	
(twin 250 engines)	7,510 lbs (3,406 kg)
*Fuel Capacity	220 U.S. gallons (832 L)
Fresh Water Capacity	20 U.S. gallons (75 L)
Holding Tank Capacity	20 U.S. gallons (75 L)
Livewell Capacity	52 U.S. gallons (196 L)
Fishbox Capacity	45 U.S. gal transom (170 L) 2 @ 29 U.S. gal (2 @ 109 L)
Max. Horsepower	500 hp (372.85 kw)
Deadrise	24°

PERFORMANCE

Cruise Speed	26.3 MPH at 3000 RPM
Consumption	13.6 GPH (1.93 MPG)
**Range	370 Miles
Top Speed	55.1 MPH

*Net tank capacity. The usable fuel capacity will be affected by several factors, including EPA-required fuel system components, temperature and loading of the boat. These factors will reduce the usable fuel capacity by approximately 10%. **Range based on 90% of total fuel capacity.

STANDARD EQUIPMENT

HULL, DECK & COCKPIT

- Pursuit® Protection Plan:
5-year hull/deck structural warranty,
5-year blister-free warranty, 2-year limited warranty
- Two 1/2" 316L stainless steel stern eyes and 5/8" 316L stainless steel bow eye
